**Medical Research Building – Macarthur (SSD-17491477)  
Parking and Way-finding Strategy, Condition D21**

Dear Ms Cole

I refer to your Parking and Way-finding Strategy (PWFS) seeking satisfaction of the Planning Secretary under condition D21 of SSD-17491477. I also acknowledge and thank you for your response to the Department's request for additional information.

I note the PWFS:

- was reviewed by the Applicant, and no issues were raised to the Department;
- contains the detail required under condition D21;
- has been submitted to the Department prior to the commencement of operation.

Also, I note that the evidence to meet the requirements of condition D20 is yet to be submitted to the Department for satisfaction.

Accordingly, as nominee of the Planning Secretary, I am satisfied the submitted Parking and Way-finding Strategy, prepared by Citizen, Issue 03 dated 02 June 2025, under condition D21 of SSD-17491477.

I remind you to submit a revised PWFS to the Department if the car parking arrangements/detail is changed under condition D20.

Please note that if there are any inconsistencies between the submitted PWFS and the conditions of consent, the conditions will prevail.

Also, please make the approved PWFS including this letter available for public access on the project website as per condition A26.

Should you have any questions, please do not hesitate to contact Jeremy Martin at [jeremy.martin@dpie.nsw.gov.au](mailto:jeremy.martin@dpie.nsw.gov.au).

Yours sincerely
