Written dimensions take precedence over scaled dimensions. Contractors shall verify all critical dimensions on site prior to commencement of work. Any discrepancies which may affect the design or structural integrity of the proposed works shall be noted stated to the designer prior to construction works commencing.

Drawings are design intent only. Citizen Group Pty Ltd take no responsibility for the structural, electrical and mechanical engineering. Drawings shall be read in conjunction with written specification and any third-party structural engineering documentation including revisions of documents as may be issued during the works.

All work to comply with the BCA, Australia Standards and other Codes as applicable, together with other authorities' requirements and regulations.

Reproduction of the whole or part of this document constitutes an infringement of copyright.

The information, ideas and concepts contained in this document are confidential. The recipient(s) of this document is prohibited from disclosing such information, ideas and concepts to any person without the prior written consent of Citizen Group Pty Ltd.
