Construction Worker Transport Strategy, Condition B20

Dear Ms Cole

I refer to your Construction Worker Transport Strategy (CWTS) submitted to the Planning Secretary for information under condition B20 of SSD-17491477.

I note the CWTS:

- has been reviewed by the Applicant and no issues have been raised with the Department;
- contains the information required by condition B20; and
- was submitted to the Department prior to the commencement of construction.

Accordingly, the Department has filed the Construction Worker Transport Strategy, Issue 1, dated 13 November 2023, prepared by ptc., for our information under condition B20 of SSD-17491477.

You are reminded to implement the CWTS, including the commitments stated in Section 7.

Please note that if there are any inconsistencies between the CWTS and the conditions of approval, the conditions prevail.

Please ensure you make the CWTS publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Jake Simpson on jake.simpson@dpie.nsw.gov.au.

Yours sincerely
